Headteacher's News

We wish everyone an enjoyable and restful half term. Please take a moment to read the important messages and updates below.

Our Value for this half term is [Friendship](#)

Safer Internet Day

In assembly this week, we marked Safer Internet Day, which took place on Tuesday, 11th February 2025. Our focus was on staying safe while gaming online, and being a good friend online. We revisited the SMART safety rules. It was great to see so many of our older children remembering them from last year!

There are plenty of useful resources available to support children and parents. You can explore some great materials from the BBC here: [BBC Online Safety Resources](#).

Site Superintendent Position

We are currently **recruiting for a new site superintendent**. If you know anyone who may be interested, please see the link below and share it with them. Thank you for your support.

The S Factor Science Competition

Mr. Harrington has launched the S Factor, encouraging children to try simple science experiments at home and present them in class during the week of 10th March. The top three will compete in the final on 19th March for the grand prize!

Children should think about how to explain their experiment—will it be instructional or full of wonder? See links below for further information.

Wear Red Day – Friday 28th February

We are supporting **Children's Heart Surgery Fund** by taking part in **Wear Red Day** on **Friday 28th February**. Pupils are invited to wear red and bring a **£1 donation** to help raise awareness of **congenital heart disease** and support children and families affected.

This charity has supported members of our school community, and we hope you can join us in supporting this important cause. **More details to follow after the holiday**. Find out more at:

Mindmate Anxiety Workshop

We are pleased to invite you to a Parent Workshop on Anxiety, delivered by the MindMate Support Team, on Monday, 10th March 2025 at 9am. This is a fantastic opportunity to explore how you can support your child in managing anxiety in a supportive and informative environment.

Save the date and contact school when we return after the break if you are interested. Thank you to those of you that have been in touch already.
