

Headteacher's News – 14th March 2025

This week has been full of exciting activities and positive progress at Stanningley Primary School.

We kicked off with KS2 Tag Rugby and KS2 Nerf Wars, which the children thoroughly enjoyed. Thank you to the parents who attended the MindMate Support Team session – your engagement is invaluable.

In assembly, we revisited the British value of democracy, focusing on the impact of the Suffragette movement. The children showed great interest and understanding.

The builders are making rapid progress on the house project. Thank you to those who have expressed interest in the planned care club provision. I hope to share more details soon and give some updates on the house.

School Places

A reminder that we have places available in Nursery, Reception, Year 1, Year 3, and Year 5, as well as Reception places for September 2025. A full school supports us financially and allows us to provide the best offer to all pupils. Please share this with friends and family who may be interested. We will be doing more work to promote the school in the coming months.

School Attendance

Attendance is creeping up again this week, which is positive. Well done to Years 2, 5, and Reception for winning the weekly attendance awards over the past three weeks.

A message from Miss Stott-moore:

A huge thank you to everyone who attended the MindMate Support Team's Anxiety Workshop in school. The session was well attended, and we have received lots of positive feedback on how helpful it was.

The team has kindly invited attendees back for a second strategy session, which will take place on Monday, 28th April. This follow-up session will dive deeper into practical strategies for managing anxiety.

Mrs. Stott-Moore will be in touch with further details. Thank you again for your engagement and support!

Well done to our stars of the week!
