Headteacher's News

It has been wonderful to return to normal routines this week after last week's weather disruptions. High attendance has been fantastic to see, and I've enjoyed watching children fully engaged in their learning, focusing on handwriting, reading, and setting high expectations for the year ahead. Our celebration assembly had a great atmosphere, and teachers have been impressed with how well their classes have settled back after the break, showing focus and enthusiasm for their work.

This week, we explored *new beginnings* and *hope* through the story of the Snowdrop, the 'flower of hope.' Despite winter's challenges, the Snowdrop showed courage and resilience, reminding us to embrace change, stay true to ourselves, and look forward to brighter days.

Well done to our stars of the week!
