The Power of Reading Together

At school, we are placing a strong focus on reading across school. I read with a group of Year 2 children on Tuesdays and Wednesdays, and it has been fantastic to see the progress they have made this term.

Reading with your child at home is one of the most effective ways to support their learning. Research shows that regular reading strengthens vocabulary, comprehension, and fosters a love of books. As a parent myself, I understand how busy life can be, but just 10-15 minutes, three times a week, will have a significant impact.

Please aim to read with your child at least three times a week and sign their school reading record. Your support is invaluable in helping us develop confident, lifelong readers.

Have a lovely weekend.
